Thank you for choosing **Hockerill Dental Practice** for your treatment and care.

One of the aspects of our service to you, that sets us apart, is our dedication to follow-on care. Successful completion of your treatment is just part of the journey to achieving and maintaining oral health and wellbeing.

With that in mind we would like to extend an invitation for you to become a member of our Care Plan. Becoming a Member ensures you attend the practice on a regular basis, at intervals which are recommended by your treating dentist. This helps us to intervene quickly to resolve any issues that may affect your oral health, and ensures we can provide you with the most appropriate, timely advice and support.

Healthy Mouth... Healthy Smile... with our Member's Plans

Members receive exclusive privileges:

- Inclusive dental examinations
- Inclusive dental hygiene treatments
- Complimentary small X rays per year if clinically required
- Complimentary analgesics and antibiotics when required
- 10% reduction in cost of general dental treatment*
- 5% reduction in cost of implant dental treatment*
- Spread the cost of your care using convenient Direct Debit payments.

Peace of mind...

Becoming a Member of one of our Care Plans will give you peace of mind that your dental team are on hand to provide continuing care, advice and treatment.

Your clinical team will recommend the most appropriate plan for you. Opposite is some guidance to provide an indication of which plan is likely to be suitable for you.

Maintenance Plan

When the health of your tooth structure and soft tissues (gum health) have been stabilised for a satisfactory period, your clinical team will recommend the maintenance plan, most suitable to help you maintain good oral health now and in the future.

£17.25 a month or around 57 pence a day provides inclusive benefits:

Benefits	Member	Non-member
2 Dental Examinations	Inclusive	£99.00
2 x 30 minute Dental Hygiene treatments	Inclusive	£120.00

Non-Members pay £237 per year (including 2 x rays) and don't have access to reductions in cost of dental treatment.

Premium Care Plan

If you have received complex dental or implant treatment you will be advised to become a member of the premium care plan. The follow-on care is just as important to help us continue to monitor your oral health and help us to support you. Patients who have been referred for the treatment of a periodontal condition will also be aware of the vital importance of maintaining on-going oral health to help reduce the risk of disease returning and causing long-term damage and tooth loss. We recommend the premium care plan to patients who are committed to working with their clinical team to treat and prevent future disease.
